Radius Child and Youth Services

Special Events/Fundraising Volunteers Needed!

Radius Child and Youth Services is a specialized community-based organization that provides clinical assessment and counselling services to children, youth and families affected by interpersonal abuse: physical, sexual, or emotional abuse, neglect, or who have witnessed domestic violence. Radius is the province's largest provider of this specialized care. For more than 30 years, we have become a widely-recognized leader in the field of abuse prevention and care. We are a multidisciplinary team comprised of social workers, psychotherapists, psychometrists, researchers, and psychologists.

Whether you're looking for a one-time or short-term role, or are interested in joining a committee we invite you to volunteer to help support Radius's fundraising events and ongoing activities.

Community events, such as the **'Moon in June Road Race'** and **'The Brian Smith Charity Ride'** both involve several hands-on tasks such as coordinating and setting up supplies/participant packages for the event, welcoming participants and guests, processing donations, helping with on-site activities, and cleaning up after a great event!

Our **'Annual Spring Event'** held each year in April focuses on raising awareness and funds to help us treat more children and families who require our support and specialized services. We invite our team of volunteers to assist us by securing sponsorships, selling tickets and approaching local businesses to ask for auction items/donations in support of our fundraising activities. Your commitment may last several weeks or months, and your time may vary from a couple of hours each month to several hours leading up to the spring event.

We are looking for committee members to help plan, promote and organize our events, engaging with the public and local area businesses and your own networks and encouraging them to also get involved.

Committee roles may involve recruiting event volunteers and participants, marketing the event, coordinating logistics on the day of the event, sourcing and collecting supplies/donations, communicating with sponsors and more.

Get involved as an event or fundraising volunteer today! It is a great way for you to have fun, build community spirit and raise money that can help children, youth and their families receive the services they need.

If you are interested in volunteering please contact Margaret McConnell, Manager of Fundraising directly at mmcconnel@radiuschild-youthservices.ca for more information.
