TOURNAMENT OF HOPE 2018

ABOUT RADIUS CHILD AND YOUTH SERVICES

Radius Child and Youth Services has been providing help to children, youth and families for almost 40 years. We've accomplished great things and have been witness to thousands of inspiring stories of strength, resiliency and hope. But our work is far from done.

With 125,000 child maltreatment investigations per year in Ontario, we know that no city or community is left untouched. The consequences of child abuse are felt at the individual, family, community and societal level. Child abuse affects us all.

As Ontario's largest provider of specialized care for children and youth affected by abuse, Radius is a BIG part of the solution. We are committed to supporting children on their journey to heal from trauma caused by abuse, and we focus on prevention and intervention that helps stop abuse before it happens.

Together, we can do more. We must invest in research, education and training, prepare for the future and ensure MORE children and youth of the present receive the care they need.

Join us in building bright and healthy futures.

MISSION

Radius Child and Youth Services helps children, youth and families build their futures free from abuse, neglect and violence.
